

## AV & TECHNICAL REQUIREMENTS

# Tim Wolter Speaking Specs

Event Layout & Hardware Requirements // AV Crew Master Copy

Category	Requirement	Notes / Details
Microphone	1x Countryman (Over-Ear)	Wireless belt pack required. No handhelds.
Display / Projection	16:9 Aspect Ratio (4K)	Presentation relies on dark-mode / high contrast UI assets.
Audio Playback	Stereo DI for Laptop	Embedded video/audio in presentation.
Confidence Monitor	Downstage Center	Must mirror main display or show presenter notes.
Stage Furniture	None	Clear stage preferred. No lectern/podium.

### > NOTE TO AV CREW:

*Please ensure house lights on the audience are dimmed by 20-30% during the presentation to allow the 3D WebGL demonstrations and dark-mode software interfaces to properly contrast on screen.*
